I don't know if that means anything. I've just never seen that before. It sound to me like someone doesn't want you there. Re: Waverly Hills EVP Posted by Chuckdaddy - 26 Mar 2011 18:59 I asked my son to listen and he hears "Leroy". I used different headphones and I here Leroy also. Re: Waverly Hills EVP Posted by crystalcross - 27 Mar 2011 02:59 You know I think you're right about the "Leroy" or maybe "Leave us"... But "Leroy" sounds closer.

Also I've noticed that the left site has it much stronger than the right side.
