Posted by shanwvr88 - 21 May 2011 02:29 It looks to me like a person sitting on the ground against the tree. Re: Photo 219 Posted by crystalcross - 21 May 2011 13:08 Lisha, Let me know if I'm focusing on the wrong area. But the area which I see marked as needing more detail seems to have a gravestone, and some flowers or plants under it. There really was not much other detail hidden in the shadows. I've increased the brightness and contrast of just the area marked.
