Posted by crystalcross - 11 Jun 2011 00:28 I'll have to give you that. This is a great image. Not camera effect, not a lighting effect. It has depth, it has distance. Its a true vapor. Almost can see a face in it. Great great catch! Same photo Posted by shanwvr88 - 11 Jun 2011 01:28 Awesome catch especially in the broad daylight! I do see the face in it. Keep up the great work! I look forward to seeing more pics.
