Posted by crystalcross - 28 Jun 2011 01:08 I think I see what you're trying to show us. I zoomed in and brightened up the windows. First in the one window: And then the other window:

The one to the left looks more like some object on the inside. But its difficult to tell.

Its hard to tell, the one in the window on the right looks like it could be a full-body.
