Posted by TressesOfNephthys - 13 Jul 2011 20:35 Very pretty, did you take this when it was misty outside? Re: Photo 458 Posted by Philwhi54 - 13 Jul 2011 21:26 No, the weather was clear. The temperature was in the mid-40's F. I do not smoke, hold my breath before snapping any pictures. I also clean the lens of the camera with a micro-fabric cloth. There isn't any manholes in the road for steam to rise from either. The sky was clear, thank you.
