

Contacting My Dad

Posted by Teri_83 - 13 Jun 2011 02:14

Hi! I know it's cliché, but if any one would be willing to help me contact my father, I'd greatly appreciate it. He died unexpectedly and I would like to make sure he is ok, where ever he may be. Thank you!

Hey Ruby! I didn't mean to offend. I am just curious about everything and thought I might try getting different points of view. I do appreciate your help and I really would like to keep in contact with you I just don't get on the computer very often, so i usually have better luck with e-mail.

Oh, no, no, please don't worry! You didn't offend me. I just worried that I had let you down, and I felt really bad. I just wanted to let you know that I was still here for you if you needed me. I can totally understand getting different points of view on this. No offense taken.
